### ELECTION RETURNS.

Democratic voters went to the polls in the run-off primary Saturday, August 27th, about five hundred stronger than in the first primary in July. Over 1800 votes were cast against 1302 in July. Primaries were held in all twenty of the voting precincts of the county and the totals as reported to the press are as follows:

Governor: Ferguson, 1288; Sterling, 582.

Railroad Commissioner, six years: Satterwhite, 613; Terrell, 1113.

Railroad Commissioner, four years: Hatcher, 778; Thompson, 881.

Supreme Court: Hickman, 951; Pierson, 664.

Congress, Place 1: Parrish, 535; Terrell, 1039.

Congress, Place 2: Bailey, 1095; Davis, 597.

Congress, Place 3: Burkett, 1245; Strong, 422.

The Executive Committee will meet at two o'clock Saturday afternoon to canvass the vote officially and certify to the result. Every member of the Committee who can possibly do so is urged to be present to see the count properly made.

A tabulated report by precincts of the official count will appear in next week's paper. It is hoped that all boxes will be in the hands of the County Clerk and the County Chairman by that time as those missing cannot be counted.

LEADS BY MAJORITY OF 2,398.

On the last tabulation to be made prior to the official county canvass Saturday, the Texas Election Bureau reported at 6 P. M. Wednesday that Mrs. Miriam A. Ferguson had a majority of 2,398 votes over Gov. Ross S. Sterling in the contest for the nomination for Governor. The tabulation accounted for 951,102 votes, with only three counties incomplete out of a total of 254. It was estimated that not more than 150 votes were outstanding, and even if all were cast for Sterling it would not change the result.

Accompanying the tabulation, Manager A. F. Henning of the election bureau made the following statement:

"The three counties carried as incomplete are Kimble, Reagan and Zavala. Incomplete returns show that Sterling carried all three. Kimble gave Ferguson 627 and Sterling 182, Reagan gave Ferguson 203 and Sterling 578, Zavala gave Ferguson 558 and Sterling 580.

"Kimble and Zavala Counties are probably complete, but correspondents neglected to so mark them when sending. Kimble has already reported 1,409 votes, against 1,392 in July. Zavala has reported 1,130, against 1,106 in July. Reagan lacks 107 of reporting as many in August as in July.

"Because of the closeness of the race, the bureau will ask correspondents to wire the official count from each county seat next Saturday. A tabulation of these figures will be given out for publication Sunday morning."

The detailed vote in all State races follows:

Governor: Ferguson 476,750. Sterling 474,352.

Railroad Commissioner, Six Years: Satterwhite 352,529. Terrell 539,973.

Railroad Commissioner, 4 Years: Hatcher 416,820. Thompson 459,661.

Supreme Court: Hickman 419,470. Pierson 433,157.

Congress, Place 1: Parrish 384,243. Terrell 468,877.

Congress, Place 2: Bailey 514,420. Davis 354,239.

Congress, Place 3: Burkett 388,388. Strong 460,115.

### A COMPARISON.

In the first primary July 30th, the following vote was cast for Governor:

Ferguson 731  
Hunter 238  
Sterling 227  
All others 44

Total 1240

In the run-off August 27th the vote was as follows:

Ferguson 1288  
Sterling 582

Total 1870

Sterling a little better than doubled his vote while Mrs. Ferguson lacked some of doubling hers.

## HONDO AND MEDINA COUNTY'S RADIO SPOKESMAN

Following is the address of Prof. W. N. Saathoff over Radio Station WOAI on the occasion of Hondo's salute to the Chamber of Commerce and the citizens of San Antonio, on the 18th day of August when local talent presented a program of songs and instrumental music. Mr. Saathoff's remarks are so succinct and yet so comprehensive in their presentation of Hondo and Medina County's advantages that we gladly present it here that it may be preserved in a more enduring form:

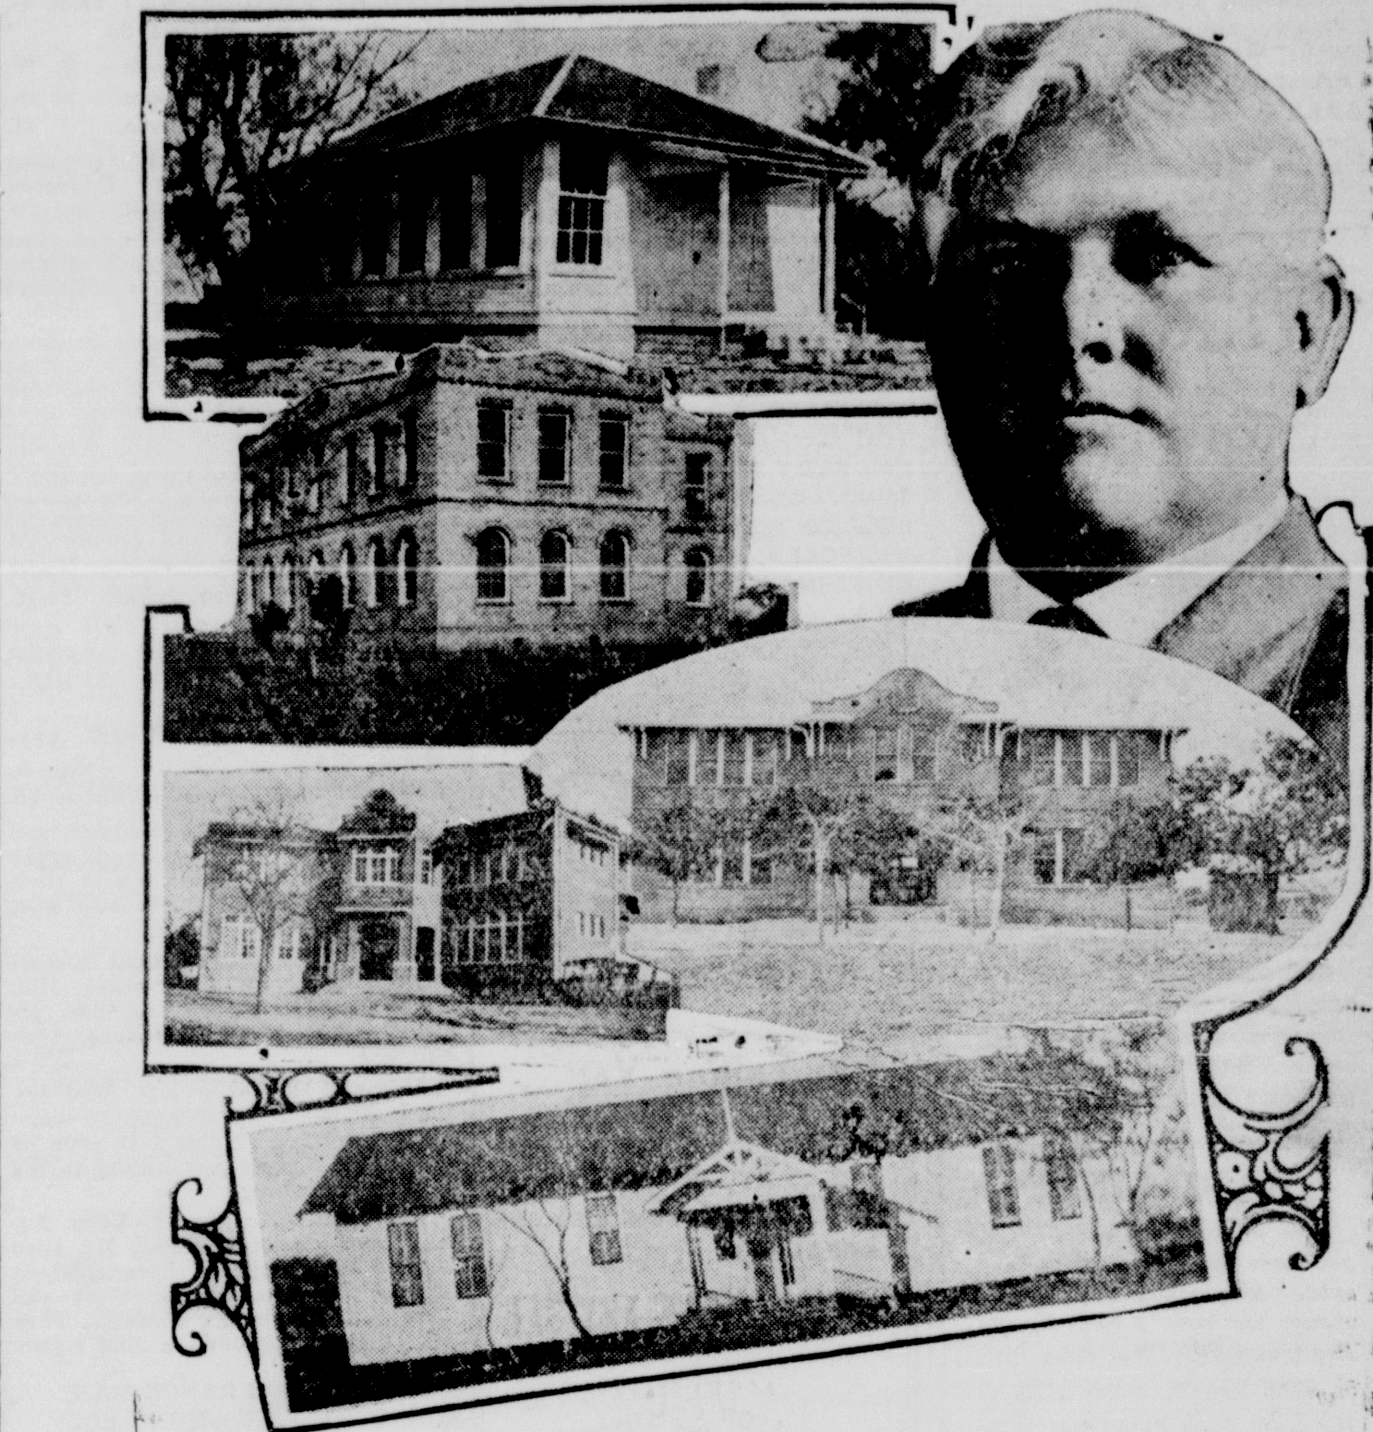

Mr. Saathoff said:

To the Chamber of Commerce and To the Citizens of San Antonio:

The people of Hondo, a thriving town forty miles west of San Antonio on Highway No. 90, also known as Jefferson Davis Highway, and may be justly called "The Gateway" to the country which Mr. Greely recommended to those that were seeking better opportunities and adventure, wish to express to the San Antonio Chamber of Commerce our sincere felicitations and our profoundest gratitude for the privileges and courtesies extended the citizens of Hondo and Medina County, and the opportunity to appear before the people of our land through the microphone of Station WOAI. Our association with San Antonio in business, social and recreational affairs makes us doubly reciprocate the sincere and cordial salutation. We want to bring to you the message of continued friendship, esteem and good will from the people of Hondo and Medina County.

Hondo is the largest town in Medina County; it is unincorporated, but meets its budget for the upkeep of the Chamber of Commerce, Town lights, hall, and other particulars by ready cash donations of its citizens. It is the county seat of Medina County and is located on the transcontinental Southern Pacific Lines and on Highway No. 90, and is considered the logical gateway to El Paso, the Winter Gardens, and to the Border Highway that leads to the Magic Valley.

Dame Nature did not favor Hondo with a peculiar unusual scenic beauty of shady towering hills and sparkling rivulets where the beauty of our land sits bathing by the spring and where the fairest shades of the heavy bows hide her; but has given unto us a greater heritage of fertile farm lands in the country places where the old plainsmen have rosy faces, and the fair young maidens have the innocent smiles and quiet eyes. With the hundreds of beautiful farm homes clustered around our fair town we have the assurance that prosperity, wealth and contentment shall continue to be in our midst. Most of our farmers are home owners, who have practiced diversification for many years, and have learned to produce large crops in spite of occasional unsatisfactory climatic conditions. Our corn crop of 1930 was classed by competent authority as the best produced in the land. The crop of 1931 was better and surpassed it in yield. The 1932 crop is being gathered and produces a fair yield. Small grains thrive abundantly, and are produced throughout the country. Many farmers have abandoned cotton, still there is a good deal planted in the less wooded section. The livestock industry is forging to the front, and with the introduction of purebred sires many herds have been improved, and the ranches teem with thousands of head of Hereford, Jersey and other standard breeds of cattle. The sheep and goat

PROF. W. N. SAATHOFF AND SOME COUNTY SCHOOL BUILDINGS.

industry is unusually profitable in the hilly sections near Hondo. We shipped 250,000 pounds of wool and mohair this year. Three poultry centers are doing an exceptionally large business although the market price is at low ebb at present. The dairy industry is modern and conforms to the "A" type. Many of the herds are registered and are exceptionally heavy producers. This industry brings in much ready cash. There is now a splendid opening for a modern creamery.

The preliminary work on a highway from Hondo through Devine to the east is making splendid headway, and has received favorable commendation by the Highway Department. This highway will eliminate much of the congested traffic of the highways leading out of San Antonio, and shorten the distance from the West to the Gulf Coast considerably; and will mean much toward the development of Southwest Texas, Winter Gardens, the Magic Valley and the San Antonio Suburban Farms.

The natural resources of Hondo within a radius of twenty-five miles are extraordinary. The oil and gas fields near Hondo are producing a superior product of both. The gas is used in every home in Hondo, D'Hanis and LaCoste, and the surplus is thrown into the mains of the Company. The oils are of the finest lubricants in the country. Drilling is now being continued in this section,

and we are looking forward towards the discovery of the main pool in the near future.

The irrigated gardens with gravity flow in the southeastern part of the county are being developed and will add much to the growth of the towns adjoining the lands. About 100,000 acres are available for use now.

The play grounds along the Medina River, known for its shady pecan groves and sparkling waters, and the beautiful Medina Lake, the largest artificial lake in Texas and unsurpassed for its scenery, fishing, boating and bathing are incomparable. They are the sportsmen's playground, the tourist's ideal retreat, and the lovers' lure for romance. Just a stone's throw from San Antonio. We are glad and anxious to share this wonderful resort with the people of San Antonio and the visitors from the North who winter in San Antonio "where the sunshine spends the winter".

The agricultural lands around Hondo are especially adapted to corn and small grain. Hundreds of car loads of corn, milo, and oats are shipped from this place annually. The drought resisting grains thrive especially well. Oats have produced as high as 9 bushels to the acre and wheat as much as 40 bushels.

Since in a wide-awake community advancement and progress wait on education, we pride ourselves that we have a splendid educational system in the county and that the chil-

dren of the schools have an opportunity to finish in the schools that have full affiliation with Southern accredited colleges and universities, our agricultural improvements are modern and scientific, our sources for wealth production are unlimited, our banks are thriving and through the wise management of their officials have maintained a splendid rating. The business and commercial organizations through frugal economy have continued on a cash basis; we have the best of home life with good health conditions, a progressive, intelligent citizenship with high standards of social organizations; we have good active church organizations for every creed and denomination. Fraternal organizations have active lodges in our towns. We find constructive leadership among our people and an unusually good progressive community life.

Come and see us, and be convinced that depression doesn't reign supreme in our town and county. Get into a new environment where you will forget your worries and troubles. Its the dawn of a new day where things will be ideal and beautiful. What we lack in pecuniary things or other superfluous possessions in life, is made up through our willingness to serve and entertain you, and make you feel at home. It's the land of opportunity and bliss where "Home Sweet Home" can be made a reality. We welcome you.

### MEDINA COUNTY PIONEER DIES.

An old Medina County pioneer passed away when Mrs. Emma Guly, 52 years, 5 months and 10 days of age, died Friday, August 26, 1932, at the residence of her daughter, Mrs. Leontina Schuehle of Hondo, after an illness of four months. Mrs. Guly was born almost in the shadow of the Alamo, but came with her mother to Medina County when a little child. She was married to Valentine Guly on September 6, 1867, and moved to Seco where she spent her entire married life. To them were born twelve children, eleven of whom lived to be grown, one son dying in infancy. She is survived by eight daughters and one son: Mrs. Leopold Weyand, Mrs. Louis Weyand, Mrs. Walter Rudinger, of D'Hanis; Mrs. Leontina Schuehle and Mrs. Hy. Buss, Sr., of Hondo; Mrs. Rose Jones of Luling; Miss Josephine Guly of Midland; and Albert Guly of San Antonio. She also leaves to mourn one sister, Mrs. Emil Tondre of Castville, and one brother, Alois Guly of Mathis; 42 grandchildren and 12 great grandchildren.

Her remains were buried in the Seco cemetery, Rev. R. W. Merrill, pastor of the local Baptist church, conducting the services.

Palbearers were her grandsons: Ed Guly, Gus Weyand and Gerhardt Guly of San Antonio, Adam Weyand and Herbert Buss of Hondo and Leander Rudinger of D'Hanis.

This paper extends deepest sympathy to the bereaved ones.

IS YOUR INSURANCE MAN, ONE WHO LIVES AMONG YOU—OR ONE JUST PASSING THRU? For Every Form of Insurance See O. H. MILLER, Hondo, Texas, Since 1907.

ST. PAUL'S LUTHERAN CHURCH.

"I will also leave in the midst of thee an afflicted and poor people, and they shall trust in the name of the Lord." Zeph. 3.12.

Trees rarely prosper on the tops of the highest hills, because there they are especially exposed to ravaging storms. That describes the lives of men. The higher man ascends from the depths of sinful life, the nearer he comes to God and the more his own pride and power vanishes. Before God it cannot stand.

We can, therefore, understand, when the prophet says that in the last days, when the Lord will come to His people, an afflicted and poor people will be left.

In the kingdom of God might is not right. It is not the most respected or mightiest who has an advantage to prevail as in the world. Here it is actually reversed. The afflicted and poor people, who do not parade their virtues before men, but who look up on God, have the promise of ability to resist the storms of the latter days. For that is the way of God, to make something of nothing. The stone rejected by the builders is made the chief cornerstone. That which in the eyes of the world is foolish, He elects. And all this is done in order that man may not glory in himself, what he is or what he has achieved, but rather to give all glory to God.

Next Sunday, September 4, there will be Sunday school and Bible Classes at the usual hour, 9:15.

At 7 o'clock the Luther League will meet for regular monthly session. Miss Dorothy Grube is leader of the topic which is "Home Missions".

At 8 o'clock there will be service conducted by a neighboring pastor. Everyone is invited to attend.

The Ladies' Aid Society will meet on Wednesday, Sept. 7, at 3 o'clock with Mrs. F. R. Grube. All members are urged to be present. Visitors are welcome.

Rev. K. Konzack of Castroville will preach next Sunday night at 8:00 in the English language and on Sept. 11 in the morning at 10:30 in the German language.

### METHODIST CHURCH NOTES.

After the extreme heat of the summer, we are enjoying this wonderful weather; especially should this kind of weather be conducive to church attendance.

Sunday night will close our co-operative services between the Methodist and Baptist churches, the Baptists to meet with us. May we make it a very spiritual hour together. "I was glad when they said, let us go unto the House of the Lord."

Since Sunday night and up to Thursday morning rainfall here has amounted to 2.42 inches. ### QUIHI NOTES.

"For by Him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him." Col. 1: 16.

The good folks of this community gave their pastor an agreeable surprise in the form of a "pounding party". And the surprise was complete all around. How thoughtfully those various packages were assembled. And those smiling lips gave the whole story and the meaning of it all. A few happy evening hours were spent in a social gathering with every section of the parish well represented. The church choir gave a generous contribution of well rendered songs for the occasion and many a song of sunny cheer was sung by those present. Words of appreciation and thanks were spoken by the recipient of this signal honor, in behalf of his family. Truly, such thoughtfulness helps much to pave the way for mutual understanding and kindness. This evening shall ever remain memorable in our mind.

The program of the Luther League on Sunday, the 21st, was well attended, and those who had turned out for the occasion were well repaid for their trouble. Every number was well rendered and there was ample variety in literary and musical lines to satisfy various tastes and inclinations. It is immensely gratifying to witness the full-fledged enthusiasm of these young people in their efforts to grow mentally and spiritually, and devote the best that's in them to lofty ideals and to him who gave them life and talent and every good grace. Equally gratifying is the fact that great throngs indicate their sense of appreciation by their very presence. Let the good work go on at these centers of real human happiness and incentive. It's a heaven that permeates every walk and every sentiment of life in the course of time.

Mother Neumann has been on the sick-list for the last few days. She is an old pioneer resident of this community and her still vivid memory recalls many striking scenes of hardship, danger and toil of by-gone days—as one of the very few witnesses who helped to make history and whose records, unfortunately, are wiped out when they pass out. Robust and hale, despite her advanced age, she was forced to abandon her customary daily walks and visits, but we trust for her early recovery and a long stay yet in the surroundings so dear and memorable to her honest heart.

Miss Esther Weeber returned to San Antonio to resume her work. Her vacation trip took her to western Iowa from where she joined the pastor's family in their prolonged journey to this Southern clime and hospitality. She has made many friends during her brief stay and we hope to see her quite often in this locality, the more so since she is fascinated with this type of country and the sturdy friendly folks inhabiting it.

The first service at the little romantic church at New Fountain, belonging to this parish, was held on the 28th of this month and a fair-sized sympathetic assembly had gathered for the occasion, including quite a number of visitors from various sections. The next service has been announced for the second Sunday in September at 2 o'clock P. M. Encourage the little band by your presence. A hearty welcome awaits you.

Next Sunday, the 4th of September, service will be had at Quihi; in the German language at 10 A. M. in the English language at 8 P. M. Mark date and time and arrange to be with us. There is a message for you and the choir is unusually faithful in the rendition of their appropriate selections. A Sunday without worship is a lost day.

The members of the Luther League are requested to remain after next Sunday's evening service, for a brief discussion of important business.

The Friday evening practice hour for the Quihi church choir—is suspended.

FREDRIC MARCH CO-STARS WITH SYLVIA SIDNEY.

Success went to his head! "If he'd only get wise to himself," his newspaper pals used to say—"he's got brains, good looks—he could catch a rich girl, marry her. He'd make a go of it too—in a big way."

It happens just as they said. Jerry "gets wise", marries Joan, a wealthy, affable, understanding girl. A fine wife.

Soon after, he writes his first play. He becomes a success—"on his own", with her to inspire him.

But then comes the "blow-off". Success goes to his head.

He meets an old girl of his, an actress. She feeds him a lot of cheap, calculating flattery. And throws in a few drinks for good measure. Jerry "goes native" again. Joan is heart-broken.

How to win him away from this phony world he's in? By cajolery? By flattery? By stern rebuke? By showing him that she too, can "go native"?

Joan must figure it out—somehow. See how she does it, in "Merrily We Go to Hell", starring Sylvia Sidney and Fredric March, at the Colonial Theatre Friday and Saturday.

Next week—Tom Mix and Tony in "Texas Bad Man".

In addition to increasing our  
postal rates on mailing our  
papers about 25 per cent, the  
Hoover scheme for relieving  
the depression compels the post  
office to charge us two cents  
for every notice of change in  
address it delivers to us. You  
can send us a notice on a 1c

but a 2c charge on us will soon  
aggregate a burdensome sum  
to us, so we beg of you to not  
leave it to the post office to

LA COSTE LEDGERETTES

From The LaCoste Ledger.

BIPPERT-SITTRE.

Mr. Wilfred Bippert and Miss  
Evelyn Sittre were happily married  
Saturday evening, August 20, 1932,  
at the St. Mary's Church Rectory,  
with Rev. Jos. Schweller tying the  
knot.  
Miss Sittre is the oldest daughter  
of Mr. and Mrs. Edmund Keller of  
this city, while Mr. Bippert is the  
oldest son of Mr. and Mrs. Max H.  
Bippert of the Sauz.  
The young couple will make their  
home here where Mr. Bippert is em-  
ployed by Ah's Garage.  
The Ledger and its staff extend to  
the young couple hearty congratula-  
tions and wish them a long and hap-  
py married life.

Misses Julia Scherrer, Estella  
Hagelin and Eva Tschirhart were  
guests at a surprise misce-  
laneous shower Sunday at the home  
of Mrs. Chas. Zinsmeyer, honoring  
Miss Aline Zinsmeyer a bride-elect of  
next month.  
Upon the arrival of the guests,  
music was played, after which the  
following prizes were awarded: 1st  
to Miss Sisie Mecher, 2nd to Miss  
Marquette Scherrer and the booby  
to Miss Alvin Wurzbach.  
After the awarding of the prizes,  
the bride-to-be put on an apron and  
bonnet and was led by a string to a  
beautifully decorated room where she  
found a clothes basket filled with  
many beautiful gifts.

MISS ELISA BURELL.

Miss Elisa Burell died at the home  
of her brother, Charles Burell, at  
Riomedina, on Saturday, August 20,  
1932, after a short illness.  
Miss Burell was born at Riomedina.  
She is survived by one brother,  
Chas. Burell, of Riomedina, at whose  
home she stayed, and also leaves  
many other near and dear relatives to  
mourn her passing.  
Her remains were brought to Cas-  
troville Sunday afternoon and rested  
in the St. Louis Hall, where the  
service was viewed by many who knew  
her living. At 3 o'clock after ser-  
vices at the hall, the corpse was con-  
veyed to the St. Louis Church, and  
after services there, was interred in  
the Catholic Cemetery, where she  
now rests in peace. Rev. J. Lenzen  
performed the last sad rites.  
To the grief-stricken brother and  
relatives, we extend our sincerest  
sympathy in this their hour of sor-  
row. May the "Good Lord" whose  
will be done assuage them all in this  
their great sorrow. May she rest in  
peace.

HABY-HARDT.

A very pretty wedding was solemn-  
ized Tuesday morning, August 23,  
1932, at the St. Louis Church rectory,  
Castroville, when Miss Lydia Hardt  
of Bandera became the happy bride  
of Mr. Anthony Haby of Riomedina  
with Rev. Jacob Lenzen tying the  
knot.

The attendants were Miss Blanche  
Haby and Fred Mulcher.  
The bride was attired in a light  
blue dress with accessories to match,  
while the bridesmaid was in light  
pink with accessories to match.  
The bride is a daughter of Mr. and  
Mrs. Lee Hardt of Bandera, while the  
groom is the oldest son of Mr. and  
Mrs. Isidor Haby of Riomedina.  
A very delicious dinner was served  
to a few invited guests at the home  
of Mr. and Mrs. Isidor Haby, after  
which the couple left on a trip to  
Corpus Christi, and after their return  
will make their home on the Jos.  
Corrand farm, where Mr. Haby will  
engage in farming and stock-raising.

CONGORILLA, the latest adven-  
ture film recorded entirely in the  
African Jungle by Mr. and Mrs. Mar-  
tin Johnson, comes to the Aztec The-  
atre screen in San Antonio this Sat-  
urday, Sept. 3rd, for a road show en-  
gagement.

This new jungle spectacle records  
for the first time the actual sounds  
of the primitive savages and the vic-  
ious monsters in the Congo Jungles.  
All previous expedition pictures have  
been photographed silent and sound  
effects added later by the studio. In  
CONGORILLA the sound recording  
equipment missed nothing. The re-  
velation of the gorilla's haunts fur-  
nishes a feature that the spectator  
will never forget, and the seven  
month stay among the pygmies of the  
Itura Forest provide dramatic mo-  
ments that contribute thrills and ac-  
tion to CONGORILLA. There is no  
longer any mystery about the king of  
apes—the gorilla. His every secret  
is now an open book because of the  
daring of Mr. and Mrs. Martin John-  
son who penetrated the mountainous  
haunts of this family of animals.

It Pays to Diversify

The optimistic farmer plants  
And trusts to weather, work and chance;  
And while his corn may need a rain  
Wet hay to him would give a pain.  
Now the only thing for him to do  
Is to diversify the whole way thru;  
So if it rains and spoils his hay  
It helps his corn and makes it pay.

Boehle, Quilhi; Miss Agnes Haby, Joe Steidle, Dunbar; L. J. Finger, Mrs. Reilly Carle, Mrs. Henry Weynand, D'Hanis; Mrs. Alfred Mangold, O. J. Wurzbach, Cliff; M. A. Keller, Devine; Alfred Schmidt, Riomedina; Frank Keller, LaCoste; Frank Biry, Biry; Phil Jagge, Hondo.

Mrs. Henry Boehle of Quilhi and Mrs. Riley Carle of D'Hanis, who went in their resignations, were succeeded by Mr. J. B. Brucks of Quilhi and Mrs. John B. Nester of D'Hanis. Sure these two substitutions all the present directors and officers were retained for another year.

After due form, the regular meeting day was changed from the second Sunday in June, to the fourth of September, regardless whether that day falls on a Sunday or a week day, beginning Sept. 4, 1933. This change required an amendment to the Constitution of the Organization.

It was moved and seconded to extend thanks to Mr. Mills and the Park Committee for the work done by

them.

A Committee of three, namely, Mrs. Fletcher Davis of Hondo, Mr. W. N. Saxthoff of Hondo, and Mr. Herbert Mills of Castroville, were appointed to write resolutions of respect for one of the last of the original colonists, the late Mrs. Anna Haas; one copy to be published, one to be sent to the family and one to be spread on the minutes of the Association.

Judge H. E. Haas, Historian, read an interesting old tax roll of Castroville and vicinity of 1850. It was moved and seconded that the Secretary copy and send the old roll to each of the thirty-five directors.

Motion to adjourn was in order and the meeting closed in harmony.

This organization is for a worthy cause, and every descendant of an original colonist should lend his personal attention to the work attempted. Not only the Directors should be present at the meetings, but every citizen of the County should participate at every opportunity. You are needed and the Association welcomes everyone. Join up and help keep alive the names, the ambitions, the achievements, the traditions, the inbred spirit and the glory that belonged to our pioneer forefathers; lest these die in our present inadequate history.

#### COLLEGE STUDENTS HONORED.

Misses Evelyn Kimmey, Ora Harlee, Mary Ruth Cameron and Eleanor Heyen entertained with a hunt and wiener roast, complimenting the members of the Willing Workers Sunday School Class who are leaving for Texas University and Texas Women's College (CIA). At 7:30 Thursday evening they met at the home of Miss Heyen for a short business meeting. After the business meeting the merry crowd of girls left on an exciting hunt about the town for signs, named in a list to the guests. Miss Jeanette Merritt proved to be the best in locating signs.

At the conclusion of the hunt the guests assembled around a huge camp fire roasting and eating wieners, pickles and buns. It was 11 o'clock when all said, "Goodbye, we had a good time."

The invited guests were Thelma Cameron, Mary Lois Barnes, Dwyce Wilson, Jeanette Merritt, Lillian Schroeder, Ruby Neuman, Janet Kimmey, Wayne Harlee and Mrs. J. G. Newton and the hostess.

#### VISITS WEST TEXAS MOUNTAINS.

Willie Ziegenbalg of this place, accompanied by his father, Mr. Ernest Ziegenbalg of Natalia, and by Mr. Hy. Wenck of Falls City, returned last week-end from an auto trip to Fort Davis and other mountain points in West Texas. They report a most enjoyable trip and saw much beautiful scenery. They took a number of pictures and brought back an interesting collection of desert plants. Most interesting to the M. E. was a quantity of Fort Davis apples—as pretty in appearance and as good to eat as ever the Ozarks could boast. We know, for we were the recipient of several from Mr. Ziegenbalg, and the taste of baked apples took our memory back to boyhood days when life held no daintier delicacy for our palate than a baked apple.

Mr. Ziegenbalg said it was so cool that all had to wear coats. The trip was so enjoyable he hopes to go again sometime and see more of the country.

Yancey was rated as 11th grade rural as usual; Natalia, 10th; Shook and Black Creek, 9th; D'Hanis 10th et al. D'Hanis has the largest district in the county; has asked for 11th grade, but it seems to have failed to qualify, so far, in securing the required number of teachers and the building equipments demanded by the State Department. #### HONDO SCOUTS WIN HONORS AT CAMP.

The annual summer camp of the Southwest Texas Council, Boy Scouts of America, closed Thursday of last week. One hundred and fourteen Scouts and Junior Leaders, and twenty-two adults registered for either all or a part of the camp period. A report will go in to the National Camping Committee that this is the best camp the Council has conducted.

The V. A. Brown Camp Trophy contest, as has been the case for four years now, created a great deal of interest. Hondo Scouts, Troop No. 3, under the very fine and much appreciated leadership of Scoutmaster M. L. McDowell, made every troop in the Area that came to camp "sit up and take notice". "No troop in the camp showed a finer Scout spirit than did the Hondo Scouts" was the universal comment of the camp staff.

Each troop is graded on three different points every day, and then on their percentage of active Scouts attending camp, and the percentage of Scouts coming before the camp Court or Honor. Hondo's tent was spotlessly clean throughout the camp, presenting a challenge to any troop in any camp. The inspection grade was 99.8 %, and they scored 100% in appearing before the Court of Honor.

They rated second highest in table manners and conduct in the messhall during the meal hours, and second highest on camp activities and camp fire program participation.

Hondo Scouts worked, and made a fine permanent contribution to the camp, whitewashing stones, and making the entrance to camp very attractive. In only one point did the city or Hondo fall down—not the seven fine Scouts and their leader,—and that was the non-attendance of seven other active Scouts back home. The town and good citizens could have provided for their attendance if interest had been aroused earlier. The Committee had to grade down to 63% on camp attendance, which brought their average down to 3rd place in the contest, with a total of 31.1%. Eagle Pass won the cup for the second consecutive time, and should they win it the third time, or next year, it will belong to the troop permanently, as a trophy. Asherton Troop No. 4 won second place with a total average of
